## Profile

I am a results-driven digital marketer with a strong foundation in business management, backed by a BBA degree. I specialize in creating performance-focused marketing strategies, managing successful campaigns, and helping brands grow through data-driven decisions. With hands-on experience in SEO, WordPress, and online advertising, I aim to deliver measurable results and impactful digital growth for businesses.

### 2016

I am a dedicated digital marketer with a Bachelor of Business Administration (BBA), completed in 2016. With a strong business foundation and practical experience in SEO, WordPress, and online advertising, I help brands build visibility, generate leads, and achieve measurable growth. My focus is on delivering strategic, result-oriented digital marketing solutions.

### SEO

I am an SEO specialist focused on helping businesses improve their online visibility, rank higher on search engines, and drive targeted traffic. With strong expertise in keyword research, on-page optimization, and technical SEO, I create strategies that deliver measurable and long-term results
